

St Nicholas

Candy Cane Holder

Materials:

- Glass jar with straight sides or empty steel can
- Red/deep crimson paper or fabric
- Paper or light cardboard
- Gold or white satin ribbon
- Colouring pens, scissors, glue.

Method:

1. Cut the crimson paper to cover the outer side of the glass or can. Glue the paper/fabric in place.
2. Use the template to the right of St Nic's miter and crozier to create a patterned band the length of the glass/can's circumference. Colour and fix in place. Arrange the ribbons. Fix in place with glue.
3. Place your candy canes inside and say the blessing. Enjoy!
