

Peg Leg Sheep Activity

When we live without God, we are like sheep without a shepherd. Make a sheep to represent yourself using pegs, cardboard, and yarn.

Materials

- 2 Pegs
- Yarn
- Cardboard, scissors
- Markers
- Template

Instructions

1. Trace the sheep and ears onto your card and cut it out. Put small nicks into the sheep's back and tummy to help the wool stay in place.
2. Colour the tail and ears and draw in the eyes.
3. Using the scissors or a small knife, make a slit in the head for the ears and insert them.
4. Place two pegs in position, and using the pegs to secure the end, wrap the yarn around until your sheep's body is covered. Tuck the end under a peg.
